

**FOR IMMEDIATE RELEASE**

MITSUI-SOKO Co., Ltd.

**Opening of the Slovak Office of  
the European Subsidiary PST CLC Mitsui-Soko a.s.**

We are excited to announce that our European subsidiary, PST CLC Mitsui-Soko a.s., has established a new office in Slovakia, officially commencing operations on June 1.

Establishing the office in Slovakia, positioned between the Group's existing bases in Europe in the Czech Republic and Hungary, represents a strategic step towards expanding our network and capitalizing on our competitive advantage. This expansion will enable us to offer:

- Customs clearance services,
- Logistics services, and
- Transportation services to Slovakia, as well as Central and Eastern Europe, facilitated through the Port of Koper in Slovenia.

The inauguration of this office is intended to enhance the breadth of logistics services we offer to our esteemed customers.
