## Press Release

### About this Program Recording Event

The program was recorded as an internal event at the Head Office and was open to all Group employees. In addition to the live recording, the event featured a talk show by host Jun Kasama and a Q&A session with the audience. The program focused on the themes of “logistics” and “warehousing,” with MITSUI-SOKO Group employees also participating through voice segments. The recorded content is scheduled to air in January 2026. Through this program, the Group aims to foster a deeper understanding of the logistics industry and its initiatives as a vital social infrastructure, making these essential roles feel more familiar to the public.
